

PPC SUBCOMMITTEE ASSIGNMENTS

JUNE 4, 2009

Note: This list represents only subcommittee assignments. As part of his or her membership commitment, each PPC member is required to attend the subcommittee to which he or she is assigned – or to serve as a Commission Representative or PPC Co-Chair, which exempts him or her from this subcommittee requirement. However, PPC members are encouraged to and often do attend subcommittees to which they are not specifically assigned. This list does not reflect such participation.
