RESURGENCE OF NEW WORLD SCREW WORM IN THE AMERICAS

ECHO: Extension for Community Healthcare Outcomes

**SEPTEMBER 15, 2025
12PM–1:30PM CT**

**PHYSICIANS AND HEALTH CARE
PROVIDERS**

Register here

<https://tinyurl.com/ECHONWS>

Objectives:

1. Understand how New World Screwworm spreads and why it poses a renewed threat to both humans and animals.
2. Recognize the signs and symptoms of NWS in patients and learn how to confirm a diagnosis.
3. Apply best practices for treating and preventing NWS, including knowing when to consult public health authorities.
