In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the Los Angeles County Department of Public Health (DPH) will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities. The law requires DPH to provide reasonable modifications to individuals with a disability.

We can give persons with disabilities the extra help they need or modify some program requirements and practices.

If you are a qualified individual with a disability that needs a reasonable modification, you can submit the attached request form to any DPH employee or you can ask any DPH employee for help.
