

Public Health Education Collaborative

Meeting Agenda

Tuesday, February 2nd, 2010
5555 Ferguson Dr., Commerce CA 90022

9:00 AM – 4:00 PM
2nd floor, Suite 220
Conference Room A, #2081

Collaborative Goal:

Link public health practitioners to people and tools that make health education practice easier and more effective throughout Los Angeles County.

Collaborative Objectives:

- Illustrating at least one component of health education practice through program updates and collaborative work sessions.
- Constructing an evidence base for innovative, effective, and standardized health education practice.

By the end of this session, participants will be able to...

1. Describe two current and upcoming wellness initiatives.
2. Describe the function of each Collaborative Committee.
3. List two ways that the Collaborative and its Committees will help accomplish health education-related work goals.
4. Characterize health education's role during H1N1 response.
5. Identify at least one professional development resource to improve health education knowledge and skills.
