

WHAT WE DO

Our program works to improve the health of children who live, learn, and play in Los Angeles County by preventing lead poisoning and providing complete support to lead burdened children and their families. **Even low lead levels may affect a child's:**

GROWTH

LEARNING

BEHAVIOR

COLLABORATE WITH US

We are always looking for partners to help eliminate childhood lead poisoning!

Partnership activities can include:

- Awareness campaigns
- Blood lead testing campaigns
- Workshops for families
- Training for staff and people in the healthcare, childcare & construction industries
- Outreach events and health fairs

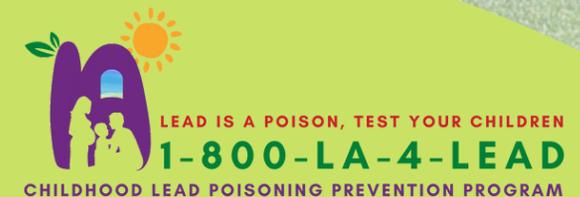

LET'S MAKE LEAD POISONING A THING OF THE PAST

EDUCATION & TRAINING

We educate and train many audiences to prevent childhood lead poisoning and support lead burdened families in Los Angeles County. Our workshops cover sources of lead, prevention, blood lead screening, case management, and lead-safe work practices.

- ✓ Families & Parents
- ✓ Pregnant Teens & Adults
- ✓ Childcare Providers
- ✓ Healthcare Providers
- ✓ Care Coordinators
- ✓ Community Health Workers
- ✓ Contractors
- ✓ Property Owners
- ✓ Businesses and agencies that serve any of the above!

SOUTHERN CALIFORNIA HEALTH & HOUSING COUNCIL

The Southern California Health and Housing Council (SCHHC), established in 1994, meets to discuss sources of lead poisoning, methods of prevention, legislation and enforcement efforts, research, and social & economic factors related to lead hazards.

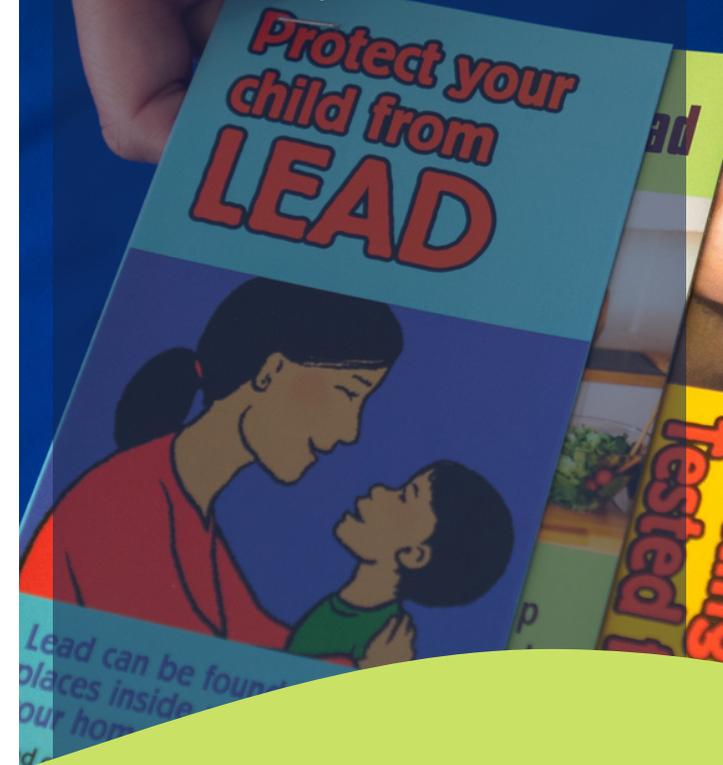

Join us in advocating and supporting parents, schools, cities, and organizations in their efforts to eliminate childhood lead poisoning and other environmental hazards for children.

SIGN UP FOR SCHHC

OUTREACH EVENTS & MATERIALS

We maintain a wealth of print and digital materials on lead poisoning prevention for the community in several languages. We can host an information booth or deliver materials for your event.
