Warning!

These snacks and candies have been found to contain lead.

For questions or more information, please contact the Los Angeles County Department of Public Health:

Childhood Lead Poisoning Prevention Program: 1-800-4-LA-4LEAD (1-800-452-4533)

Food and Drug Branch (FDB): 1-800-495-3232 (Complaint Hotline) or 1-916-650-6500 (Questions/Complaints on Lead in Candy)

For the most up to date information visit the FDB Website: http://www.cdph.ca.gov/data/Documents/fdbLiCLiC07.pdf

1 The California Department of Public Health, Food and Drug Branch has issued a Health Alert for the candies shown on this flyer. These candies have been found to have lead levels in excess of the allowable level (0.10ppm).

2 The information contained in this document is subject to frequent change without prior notice. This information is effective and accurate only as of the “Last Updated” date at the top of the page, and is only valid until next updated.

3 Effective 12/28/2011 - This candy bearing lot code of ‘110201’ or greater (for example 110330, 120409, etc.) is allowed for sale in California.

4 Effective 10/15/2013 - This candy bearing a ‘Best Before Date’ of 070513 or greater (for example 112213, 092014, etc.) is allowed for sale in California. Do not eat candy with ‘Best Before Date’ of 020413.

5 Extended recall only applies to the Nuclear Sludge candies and not to other ‘Toxic Waste’ Brand candies.

6 Effective 05/23/2013 - This candy can be sold in California with a new lot code of 13YYMMDD. Do not eat candy with lot code prior to 13YYMMDD.

7 Effective 10/17/2011 - This candy in a new ‘Gray’ package is allowed for sale in California.

8 Effective 10/17/2011 - This candy bearing lot code of ‘110201’ or greater (for example 110330, 120409, etc.) is allowed for sale in California.

9 Extended recall only applies to the Nuclear Sludge candies and not to other ‘Toxic Waste’ Brand candies.
