

DVSS JOB CLUB / GAIN ORIENTATION PRESENTATIONS

To ensure safety and adapt to the changing environment resulting from the COVID-19 pandemic, Office of Women's Health in collaboration with Department Public Social Services (DPSS) and Los Angeles County Office of Education (LACOE) transitioned from in-person to virtual presentations.

If you are a Domestic Violence Supportive Services (DVSS) contracted agency and would like more information about Job Club, please email OWHTraining@ph.lacounty.gov.

Thank you.
