## PROGRAM FORMAT

## THE YMCA OF METROPOLITAN LOS ANGELES

Established in 1882

The largest and oldest nonprofit serving LA's youth and families

#### THE PROGRAM

Who?

- Overweight\* Adults (18+) with prediabetes
- Confirmed via one of 3 blood tests
- Or a previous diagnosis of gestational diabetes
- Or a qualifying risk score

What?

- 12 month program: includes 16 weekly sessions followed by monthly maintenance sessions
- 1 hour sessions
- 8-15 people in group based, classroom setting

When? Where?

Anytime, anywhere (classroom-type setting)

How?

- Weigh-in at every session
- Weight recorded in online tracking system
- Facilitated by Y Lifestyle Coach (person skilled in Motivational Interviewing and group facilitation)

The YMCA's Diabetes Prevention Program is part of the CDC-led National Diabetes Prevention Program and nationally supported by the Diabetes Prevention and Control Alliance.

## COST, FINANCIAL ASSISTANCE, AND INCENTIVES

#### **COST AND FINANCIAL ASSISTANCE**

YMCA Facility Member

\$229

(\$9.50/session)

Community Member

\$329

(\$13.70/session)

Financial Assistance is available on a sliding-scale.

#### SCHOLARSHIP AVAILABILITY

#### YMCA Facility Member

\$21.75

(less than \$1/session)

### Community Member

\$59.25

(roughly \$2.50/session)

#### Kaiser Permanente, White Memorial Medical Center, and Keck Medicine of USC Funding

- Crenshaw Family YMCA
- Weingart YMCA Wellness and Aquatic Center
- Downey Family YMCA
- Montebello-Commerce Family YMCA
- Weingart East Los Angeles YMCA at The Wellness Center
- Southeast-Rio Vista Family YMCA
- Weingart East Los Angeles YMCA

#### **INSURANCE COVERAGE**

#### **United HealthCare**

County of Los Angeles, Wells Fargo, Hertz, and John Deere

#### **Medicare Diabetes Prevention Act**

• In a 2009 report, the Urban Institute predicted the country could save as much as \$190 billion over 10 years by bringing this community-based diabetes prevention program to scale fully across the nation. Additionally, a new CBO-style analysis by Avalere Health estimates \$1.3 billion in federal savings over a decade just by providing the NDPP as a benefit in Medicare.

#### **INCENTIVES**

#### **Gym Membership**

- 4 month full access family membership is provided to all program participants
- Redeemable at any of our 25 branch locations

#### **Program Materials**

 Program binder with all 24 sessions worth of worksheets and handouts

#### **Calorie King**

- Pocket size book with over 17,000 listings
- Fat, calories, and carbohydrates

# REFERRALS AND AVAILABILITY

#### **REFERRAL PROCESS**

#### YMCA member

Patient completes Referral Form in person or online

#### **Insurance Benefit**

- covered benefit for County of Los Angeles, Wells Fargo,
   John Deere, and Hertz employees enrolled in the
   UnitedHeathcare medical plan
- Patients call 800 237 4942 to self refer

#### **Clinical Referral**

- HIPAA Compliant Fax Line
  - **213 736 0021**
- Online Form
  - https://www.ymcala.org/page/s/diabetes-prevention-inquiry

#### **CURRENT AVAILABILITY**

- Pasadena YMCA
- Culver-Palms Family YMCA
- North Valley Family YMCA
- Weingart YMCA Wellness and Aquatic Center
- Crenshaw Family YMCA
- Weingart East Los Angeles YMCA
- Weingart East Los Angeles YMCA at The Wellness Center
- Southeast-Rio Vista Family YMCA
- Torrance-South Bay YMCA

## BENEFITS OF PARTNERSHIPS BETWEEN CBO PROGRAMS, CLINICS, AND/OR OTHER CBO'S

#### **BENEFITS OF PARTNERSHIPS**

#### **YMCA**

 Program Referrals → Increased utilization of services → Deliver on our mission of strengthening our community

#### Clinic

- Reduce costs through prevention and/or reduction of unnecessary utilization of health care services
- Improve health outcomes through patient education and support for making sustainable lifestyle changes
- Movement to a Population Health Management Approach which is aligned with the new reimbursement models

#### LAACHA and The YMCA's Diabetes Prevention Program

Cross-Referral system

#### How Physician Practices Must Change to Effectively Manage Patient Populations

**Table 1: Current State vs. Future Financial Incentives** as Population Health Management Drivers

Current State: Volume-Based Reimbursement (Fee-for-Service)	Future State: Risk-Based Reimbursement (ACO/Shared Savings/ Capitation and Quality-Oriented)
Low financial accountability for cost of care	High accountability for cost of care
Defines <i>population</i> as patients who present at the doctor's office	Defines <i>population</i> as every patient in the provider organization panel, regardless of whether they present at the doctor's office
Minimal infrastructure (technology, staff, data, etc.) to manage more than the sickest/most complex patients	Must have infrastructure to manage the entire population
Culture rewards volume and operational efficiency	Culture rewards optimization of cost and quality

# THE YMCA AND SENIOR PROGRAMS

#### SENIOR PROGRAMS

#### **Senior Lunch Program**

Southeast-Rio Vista YMCA and Torrance-South Bay YMCA

#### **Health Education Presentations**

■ Fall Prevention, Stress Management, Cancer Prevention, Healthy Eating, Being Active, Diabetes Self Management, etc

#### **Physical Activity**

- group exercise classes specifically crafted for active older adults
- Free Healthy Lifestyle Coach

#### **Social Events**

Parties, Group Trips, Group Outings, BINGO, etc

## CHALLENGES AND SUCCESSES OF A LARGE SCALE ROLL OUT OF AN EVIDENCE BASED PROGRAM

## CHALLENGES, SUCCESSES, WHAT'S WORKING, WHAT'S NOT WORKING, AND SUGGESTIONS

**Changing the mindset** – internally and externally

**Partnerships** - that are mutually beneficial

Find your CHAMPIONS!

Make sure the staff have time in their schedule

**Scheduling** – don't make it a barrier

Language Availability and Cultural Sensitivity

Staging your roll out – don't try to do it all at once

**Best Practice Sharing** and other Technical Assistance

**Large Amounts of Aggregate Data** 

**Monthly Meetings for our Program Coordinators** 

Be flexible ... Be mobile

FOLLOW UP, FOLLOW UP, FOLLOW UP
