- Reaching the 95% (R95) Initiative updates – see slide
- Opportunity for provider agencies to serve as workfare and community service sites for CalFresh (and future Medi-Cal work requirements) – see slide

## Update: Reaching the 95%

Agency adoption of all R95  
policies and agreements  
increased from

**51% to 69%**

FY 24-25

FY 25-26

- 78% of contracted treatment provider agencies are participating in *some* aspects of R95
- 69% of contracted treatment provider agencies are fully participating in R95

## HR 1 Medi-Cal and CalFresh requirements: Workfare

- New CalFresh work requirements go into effect June 1, 2026
- Recipients that choose workfare opportunities to meet hour requirements will need fewer hours (e.g., 16 hours a month for a single person household)
- DPSS is organizing workfare opportunities and providing training to potential host sites. Training will cover potential job duties of workfare placements and responsibilities of workfare host sites. Hosts must be a non-profit agency.\*
