Under the delegated authority issued to the Los Angeles County Department of Public Health’s Bureau of Substance Abuse Prevention and Control (SAPC) on May 17, 2017, this Information Notice serves to amend all provider treatment contracts to include the Substance Use Disorder Treatment Services Provider Manual Version 11.0 (Provider Manual) Exhibit.

The Provider Manual ensures patients receive the same quality care and benefit package throughout Los Angeles County. Provider Manual 11.0 reflects advances in the system and covers the following areas:

- Modernizing Substance Use Disorder Treatment
- Client Service Standards
- Client Service Standards: Special Populations
- Clinical Process Standards
- Provider Quality Improvement Expectations

To support provider agencies with navigating the Provider Manual, SAPC has developed the following resources:

- **Quick Reference Guide:** highlights all updates in the latest version
- **Provider Manual Adobe Acrobat Instructions:** an instructional video to assist with document navigation

Both resources are available at the link above.

SAPC will continue to release updated versions of the Provider Manual as needed. However, it is each provider's responsibility to ensure they reference the most current version.
