

STD WORKSHOPS 2009

Schedule for Service Providers

All of the following are basic level workshops for agency staff such as case managers, outreach workers, health educators, social workers, HIV test counselors, and other health professionals not yet comfortable talking about sex and STDs, or needing skills in STD counseling for the clients or patients that they serve. All workshops will be held at the STD Program offices located at 2615 S. Grand Avenue, Los Angeles, 90007, 4th floor.

To register: Please complete the attached registration form and email it to Ana Delia Hernandez, Health Education Assistant, at anhernand@ph.lacounty.gov, or fax at (213) 749-9605. Confirmation letters (including parking permit and directions) requiring an RSVP will be e-mailed approximately 2 weeks prior to the workshop. Limited space is available, with priority given to agency staff that work with designated high-risk populations.*

STD 101

This all-day workshop includes an overview of the most common STDs as well as a primer on hands-on client-centered risk reduction counseling. This workshop is a basic level training for agency staff with little to no prior knowledge of STDs, and is recommended as a prerequisite for all workshops listed below.

Offered from 8:30 am to 4:30 pm on: February 26th and September 24th

The ABCs of Hepatitis

Building upon the information provided in STD 101, this workshop provides participants with an in-depth look at the transmission, diagnosis and treatment of the three most prevalent types of hepatitis.

*Offered from 12:30 pm to 4:00 pm on:
April 23 & November 12.*

Herpes & HPV

HPV and Genital Herpes are the two most common STDs. This workshop builds upon the information provided in STD 101 and delves deeper into the transmission and treatment of these two viral STDs.

*Offered from 12:30 pm to 4:00 pm on:
March 26 & October 22.*

*** Priority will be given to agency staff who work with the following populations [codes]:**

[1] Women
[2] Youth

[3] Colleges/Universities
[4] Family Violence

[5] HIV/AIDS
[6] LAC Clinics/Health Centers
