

Keynote Speaker :

David Bruyette, DVM DACVIM
Medical Director of VCA WLAAH

OCT 23 (SUN) SEX, LIES & MEDICAL RECORDS

An Interactive Discussion between Shelter Vets and Private Practitioners

Thousands of animals are adopted from shelters every year and they become family pets that need medical support, from wellness to specialty care. There is a need to start the discussion on how the veterinary community can work together to save lives, improve health and help in societal change.

OCT. 23 (SUNDAY) 8:30 AM – 3:30 PM

**Veterinary Clinical Center, Student Commons
Western University of Health Sciences. Pomona. CA**
